If you need a friend
Don't look to a stranger
You know in the end
I'll always be there

And when you're in doubt
And when you're in danger
Take a look all around
And I'll be there

I'm sorry, but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)

But, if u wait around the world, I'll make you fall for me
(I promise you)
I promise you
I promise you, I will

When your day is through
And so is your temper
You know that to do
I'll always be there

Sometimes, if I shout
It's not quite intended
These words just come out
With no cross to bear

I'm sorry, but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)

But, if u wait around the world, I'll make you fall for me
(I promise you)
I promise you
I promise you

I'm sorry, but I'm just thinking of the right words to say
(I promise you)

I know they don't sound the way I planned them to be
(I promise you)

But, if I have to walk the world and make you fall for me
(I promise you)
I promise you
I promise you, I will

I gotta tell ya
I need to tell ya
I've got to tell ya
I gotta tell ya

I'm sorry, but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)

But, if u wait around the world, I'll make you fall for me
(I promise you)
I promise you
I promise you

I'm sorry, but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)

But, if I have to walk the world and make you fall for me
(I promise you)
I promise you, I will
(I promise you)

I will
I will
