(Chorus)

There's something beating here
Inside my body and it's called a heart
You know how easy it is,
To tear it apart
If I lend it to you
Will you keep it safe for me
And if I lend it to you
If you treat it tenderly
There's something beating here
Inside my body and it's called a heart

There is a sun shining in the sky
But that's not the reason why
I'm feeling warm inside
The answer isn't classified
It's my heart
From the moment I started
I tried to be good-hearted
Since I tried my best
And more or less
I spoke with my heart
There's a lot to be learned
And you learn when your heart gets burned

(Chorus)

Hearts can never be owned
Hearts only come on loan
If I want it back
I will take it back
I'll take my heart
But I will try my best
And more or less
I'll speak from my heart
Yes I will speak from my heart (Speak from my heart)
