I've told myself so many times before  
But this time I think I mean it for sure  
We have reached a full stop  
Nothing's gonna save us from the big drop

Reached our natural conclusion  
Outlived the illusions  
I hate being in these situations  
Back off of diplomatic relations  
If I only knew the answer or  
I thought we had a chance or  
I could stop this  
I would stop this thing from spreading like a cancer

What can I say?  
I don't want to play anymore  
What can I say?  
I'm heading for the door  
I can't stand this emotional violence  
Leave in silence

We've been running around in circles all year  
Doing this and that and getting nowhere  
This'll be the last time  
I think I said that last time

If I only had a potion  
Some magical lotion  
I could stop this  
I would stop this  
I would set the wheels in motion

What can I say?  
I don't want to play anymore  
What can I say?  
I'm heading for the door  
I can't stand this emotional violence Leave in silence
