Little 15 you help her forget  
The world outside you're not part of it yet  
And if you could drive you could drive her away  
To a happier place, to a happier day  
That exists in your mind and in your smile  
She could escape there just for a while little 15

Little 15 why take the smooth with the rough  
When things run smooth for every more than enough  
She knows your mind is not getting bleak  
With the rest of the world and it's little intrigues  
Do you understand, do you know what she means  
As time goes by and when you've seen what she's seen  
you will little 15

Little 15 why does she have to defend  
Her feelings inside why pretend  
She's not had a life a life of near misses  
Now all that she wants is three little wishes

She wants to see with your eyes, she wants to smile  
with your smile  
She wants a nice surprise every once in a while  
She wants to see with your eyes, she wants to smile  
with your smile  
She wants a nice surprise every once in a while little 15
