It's a lot, it's a lot
It's a lot, it's a lot
It's a lot, it's a lot
It's a lot, like life!

There's a new game
We like to play you see
A game with added reality
You treat me like a dog
Get me down on my knees
We call it master and servant

It's a lot like life
This play between the sheets
With you on top
And me underneath
Forget all about equality
Let's play master and servant

It's a lot like life
And that's what's appealing
If you despise that throwaway feeling
From disposable fun
Then this is the one

Domination's the name of the game
In bed or in life
They're both just the same
Except in one you're fulfilled
At the end of the day
Let's play master and servant

Come on
Come on
Master and servant

It's a lot, it's a lot
It's a lot, like life
It's a lot, it's a lot (master and servant)
It's a lot, it's a lot
It's a lot, like life

It's a lot like life
And that's what's appealing
If you despise that throwaway feeling
From disposable fun
Then this is the one

Let's play master and servant
Come on master and
servant
