"More Than A Party"

Visit "[More Than A Party](#)" on MotoLyrics.com

Lots of surprises in store
This isn't a party
It's a whole lot more

We've had enough of this blind man's buff
You've kept us in the dark for long enough

This is more than a party
More than a party
More than a party

Keep telling us we're to have fun
Then take all the ice-cream so we've got none
The failed magician waves his wand
And in an instant the laughter's gone

This is more then a party
More than a party
More than a party

Lots of surprises in store
This isn't a party
It's a whole lot more

More than a party.
