I saw you in the picture
I saw you play the part
This ain't nodisco
There's a thousand watching you
And you take this too far
This ain't nodisco
Sometimes when I wonder
If you're taking a chance
This ain't nodisco
And you know how to dance

Move me disco
Baby don't you let go
This ain't nodisco

Part one, act one
Everyone pretend
This ain't nodisco
This is no story
And they're reaching the end
This ain't nodisco
Always makes me happy
When you're taking a chance
This ain't nodisco
And you know how to dance
