Feel the seas
So vitalizes
It's talking to me
Loud and clearly
And as you see
There's something to say
Fell the clouds that are not essential
It is re-endless
Retries my patience
But nevertheless, is all I could say

We can see the
There will be so
We'll be ignorant
Or desobedient
And never say that
This is Fun
This is real fun
This is real fun
This is real fun
This is fun

This is real fun
This is real fun
This is real fun This is fun
