"Pipeline -- Construction Time Again And People Are"

Get out the crane
Construction time again
What is it this time?
We're laying a pipeline

Let the beads of sweat flow
Until the ends have met though
It could take a long time
Working on the pipeline
Taking from the greedy
Giving to the needy

On this golden day
Work's been sent our way
That could last a lifetime
Working on the pipeline

From the hearts of the land
To the mouth of the man
Must reach him sometime
We're laying a pipeline

Taking from the greedy Giving to the needy
