Get out the crane  
Construction time again  
What is it this time?

We're laying on a pipeline

Let the beads of sweat flow  
Until the ends have met, though  
It could take a long time

Working on a pipeline  
Taking from the greedy, giving to the needy

On this golden day  
Work's been sent our way  
That could last a lifetime

Working on a pipeline

From the heart of the land  
To the mouth of the man  
Must reach him sometime

We're laying on a pipeline  
Taking from the greedy, giving to the needy

Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy  
Taking from the greedy, giving to the needy
