All I want to do is see you again  
Is that too much to ask for?  
I just want to see your sweet smile  
Smiled the way it was before

Well, I'll try not to hold you  
And I'll try not to kiss you  
And I won't even touch you

All I want to do is see you  
Don't you know that it's true

I remember the days when we'd walk through the  
woods  
And sit on a bench for a while  
I treasure the way we used to laugh and play  
And look in each others eyes

You can keep me at a distance  
If you don't trust my resistance  
But I swear I won't touch you

All I want to do is see you  
Don't you know that it's true

Well, I know five years is a long time  
And that times change  
(Oh, that times change)  
But I think that you will find  
People are basically the same  
(Basically the same)

If the water's still flowing, we can go for a swim  
Do the things we used to do  
And if I'm reluctant you can pull me in  
And we can relive our youth

Oh, but we'll stay friendly  
Like sister and brother  
Though I think I still love you

All I want to do is see you

Don't you know that it's true?  
All I want to do is see you  
Don't you know that it's true?

All I want to do is  
(See you)  
All I want to do is  
(See you)  
All I want to do is  
(See you)
