Set me free

(Chorus)

Remotivate me

Set me burning

After years your big freeze

My body is yearning

For a new lease of life

Who had a little fight

Set me free

Remotivate me

Give me a reason to scream and shout

Give me something to get excited about

When everything is looking dull

I'm sure it isn't impossible to

Set me free

Remotivate me

Remotivate Me

Set me burning

After years your big freeze

My body is yearning

For a new lease of life

And a little fight

Set me free

Remotivate me

Set me free

Remotivate me

Don't think I'm impatient

Because I'm willing to wait

But something must must happen

Before it gets too late

It could be my imagination

What could me more than this love sensation

Set me free

Remotivate me

Set me free

(Chorus)

Set me free

Remotivate me
Set me free

Remotivate me
Now say, babe...
Free me...
