

## Depeche Mode "Shame"

Visit "[Shame](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Do you ever get that feeling  
When the guilt begins to hurt?  
Seeing all the children  
Wallowing in dirt  
Crying out with hunger  
Crying out in pain  
At least the dirt will wash off  
When it starts to rain

Soap won't wash away your shame

Do you ever get the feeling  
That something isn't right?  
Seeing your brother's fist  
Clenched ready for the fight  
Soon the fighting turns to weapons  
And the weapons turn to wounds  
So the doctor's stitch and stitch and stitch  
And stitch and stitch and stitch and stitch

Surgery won't improve your pain

It all seems so stupid  
It makes me want to give up  
But why should I give up  
When it all seems so stupid?

Do you ever get the feeling  
That something can't be done?  
To eradicate these problems  
And make the people one  
Do you ever get that feeling  
Something like a nagging itch?  
And all the while the doctors stitch  
And stitch and stitch and stitch and stitch

Hope alone won't remove the stains (shame)

It all seems so stupid  
It makes me want to give up  
But why should I give up  
When it all seems so stupid?
