Sometimes i feel i've got to run away, i've got to get away from the pain you drive into the heart of me the love we shared seems to go no where and i lost my light for i tose and turn i can't sleep at night

Once i ran to you (i ran) now i run from you this tainted love you've given i gave you all a boy could give you take my tears and thats not really all oh, tainted love, tainted love

Now i know i've got to run away i've got get away you don't really want anymore from me to make things right you need someone to hold you tight and you think love is to pray well im sorry i don't pray that way

Once i ran to you (i ran) now i run from you this tainted love you've given i gave you all aboy could give you take my tears and thats not really all oh, tainted love, tainted love

Don't touch me please i cannot stand the way you tease i love you but you hurt me so now i', going to pack my things and go

Tainted love, tainted love(x2)
Touch me baby tainted love(x2)
Tainted love(x3)
