I was dancing by her side  
We were the allnightboys and girls  
And I never felt so loved like I did that night  
When she said  
I'm gonna steal your mind  
I was blinded by her light  
It seems sunshine walks with her  
And I never felt so proud like I did that night  
When she said  
We got time to kill

And though most of it's been stolen  
I will find love for you  
I've been dreaming of a sky to talk about  
If we turn up the music  
We can dance them out of our lives  
I've been thinking of a sky to talk about

There's a black hole in her eyes  
I fell and I never got back  
In an hour or two  
I'll have no secrets for you  
My friend  
We're lovers without a past  
When you lonesome and you cry  
I'm gonna cry with you  
And I'm never gonna say that you seem ok  
When you don't  
But I will wipe your tears

And though most of it's been stolen  
I will find love for you  
I've been dreaming of a sky to talk about  
If we turn up the music  
We can dance them out of our lives  
I've been thinking of a sky to
