Name me

I want you to name me

I need you to claim me

Labour

You made me your labour

Made it seem a favour

That I'm getting paid for

Were you gonna thank me later?

Lie and talk for hours maybe

Will you say I'm special

You brought me flowers and candy

For all this time I waited

Were you gonna thank me later?

Number

Were you gonna thank me later?

Lie and talk for hours maybe

Will you say I'm special

Oh so pretty and sexual

You're a doer and you did me

You brought me flowers and candy

For all this time I waited

Were you gonna thank me later?

Name me

I want you to name me

I need you to claim me

I'll settle for a maybe
