I've taken in all you being
An ever moving stream of dramatic evolution
And I've taken in what's happening
And poisoned the well you drink from with an
experienced solution

And I'm not responsible
(Not responsible)
For what happens when you are gone

You're breathing in all you've seen
An imaginary comfort to create intoxication
If you only knew what thoughts I had inside and so
good I am to hide
Your heart would hurt and turn to stone just like mine

And I'm not responsible
(Not responsible)
For what happens when you are gone
(I'm not responsible)
It's so irresistible
(Not responsible)
When it happens then you are gone
(I'm not responsible)

No love, no trust just lies, lies

You've been hidden from the truth, can't reveal these
things to you
And I know that there's no way to change it
And I feel for what I do, taking innocence from you
Is just so easy and I just can't stop it

And I'm not responsible
(Not responsible)
For what happens when you are gone
(I'm not responsible)
It's so irresistible
(Not responsible)
When it happens then you are gone
(I'm not responsible)

No love, no trust just lies, lies
