They're more than just words,  
They're colors,  
To paint my feelings for you.  
and i know how,  
that there's no way to show you,  
Just how much i care.

And i feel it oh so deep within me,  
and i know that there's so much left to share.  
All the times you're away,  
Feels just like eternity.  
As the moments that we had,  
had to end.

*[Pre-chorus]*

The strokes of the brush,  
Brings me Closer to your touch.  
Through the hues well find a way,  
To follow, I know we will.

*[Chorus]*

And the Colors are so Vibrant,  
Like the sun on the ocean,  
and the hues they will change from day to day.  
But i know that, That the picture of love would last  
forever.  
On this Canvas of our lives that we create.  
(And our love will last forever)

And i know that always  
i saw to try to display  
just how precious that you are to the world.  
Cause i know with just a touch,  
you can show me oh so much,  
that there's more to this life,  
Than what we see

*[Pre-Chorus]*

*[Chorus]*

Colors may fade,

Turning vibrant to grey,  
But one things unchanged,  
the picture is still the same.

And through the days and nights the vision lives on  
forever,  
And through a masterpiece of love me made together,  
We've given all we can,  
I know the world will understand,  
The picture is of you, and me.

*[Chorus]*
