PAYBACK TIME Manipulation the mind of the masses
their deceitful message indoctrinates millions
brainwashed by an image of coolness projected
throughout their entire lives, a killing disease
unleashed upon the masses in the name of the
almighty dollar. without any consideration for health,
only wealth being worth taking into account.
conditioned to praise their murderers and laugh at
their savers
death's get a stranglehold on them until the final day.
Payback time has new begun for all you heartless
prattlers humiliating and smashing you down. A
PITILESS battle in which our purity WILL GUIDE US
against your greedy shame caught in your game you
won't survive call it quits while you can cause our fury
isn't to be messed up with
