Buried under ambition's reflection the cross gate to
awareness still stands I
must dig this controlled land and wipe the dirt off my
mind only to reach the
bitter reality seeking through the lights of life my
resurrection MY RESURECTION Disenchantment from
paradise, thirstiness for justice I now see the
messenger for what he really
is, innocent tool of influence into
wealth's hand the greatest mean to subjugate the
questioning nations.
Purveyors of lies.(please) tell me the truth
