So Im all surrounded  
By the things I thought Id put away  
An Im all surrounded  
By the things I thought Id put away  
An theres a pile in the closet  
Thats where I threw some yesterday  
Maybe under the rug  
Thats where I swept some the other day

So the mess is drawing forces  
Outside I hear them say  
(Just) come out with your hands up  
So we can blow you away  
And I walk out the door  
Get blown wide open  
By the things Id put away  
And I wasnt even warned  
Just blown wide open  
By the mess is where I lay

So'm all surrounded  
By the things I thought Id put away  
So'm all surrounded  
By the things I thought Id put away  
And if Im a slob  
I never looked at it that way  
Irresponsible  
When youre not the first to say

But I told her Im sorry  
I never wanted it this way  
Yeah, I still need her  
But the mess wont go away  
And I walk the door  
Get blown wide open  
By the things Id put away  
And Im out on the porch  
Just blown wide open  
By the mess is where I lay  
Yeah, blown wide open  
Blown wide open

Blown wide open  
Blown wide open  
The guns still smokin  
Blood keeps flowin  
Blown wide open  
Blown wide open  
[While she's going]  
All surrounded
