You know I flinch at the sight of pain  
So now you wear it like a Stain  
While they determine who's insane  
They could beat at you and I, Again

Hold on  
Hold on...

So you know that's not the way to be  
Just thank God you heard it first from me  
For all those Fools that think that I'm just in a mood  
Well if it's a problem; Yeah. I tend to brood

Hold on  
Hold on...

So you know I flinch at the sight of pain  
And now you wear it like a stain  
While they determine who's In-sane  
They could beat at you and I, again

Hold on  
Hold on

Hold on  
Hold on...
