Your eyes are hangin'
Your lips are dry,
And I don't have to
Wonder why..
I could say nothing,
I could say some
I'd say a lot
And more to come
And sometimes
It's not all bad
What's going
Down the drain
Come take a walk
With me
Out into the
Summer rain
I walk beside you,
I'm kind of cold.
I really need,
A hand to hold.
And I'm no joker
I'll make no move
Not when I'm all outside
Of the [groove?]
And sometimes
It's not all bad
What's going
Down the drain
Come take a walk
With me
Out into the
Summer rain
Pause.
It's not all bad
What's going
Down the drain
Come take a walk
With me
Out into the
Summer rain
