### "Tell Me Goodbye"

Visit "[Tell Me Goodbye](#)" on MotoLyrics.com

[G-Dragon] Letting you go... (can somebody...)  
Letting you go... (please somebody...)  
No I got this, yeah

Steady thinkin' 'bout this thing called love  
It got me shaken up  
([Seungri] Please tell me there's a way)  
And it got my head just spinnin' round round round  
round  
([Seungri] Please tell me there's a way)  
Don't wanna take a fall  
It's best that I break it all  
It's gonna be better for you to move on  
([Seungri] Please tell me there's a way)  
And my heart be breakin' breakin'  
All apart remakin' makin'  
How can I recover it all

[Taeyang] Girl I swear kimi no koto wo ichibyou demo  
Kanashimasenai yakusoku  
Mamoru tame ni wa mo moukoreshika  
Erabu michi wa nai kara

[Daesung] Baby aishiteru dake kizutsuketeshimau  
And I've got nothing, nothing to say

Uhuuuh~~

[All] Tell me goodbye, oh, tell me goodbye  
[Seungri] Dakishimeta te wo  
[All] Tell me goodbye, oh, tell me goodbye  
[Daesung] Hanasou  
Boku wo wasureru koto ni jiyuu ni naru nara Baby  
[All] Tell me goodbye, oh, tell me goodbye

[Seungri] Girl you know kimi ga egao naku shiteku  
hodo  
Boku wa jibun mo semeru yo  
Nego semeru kotoba mo hikari sae mo  
Nanimokamo miushinai

[Taeyang] Baby kono kuchibiru ga hanareta shunkanni

I'll never find better, better than you

[All] Tell me goodbye, oh, tell me goodbye  
[Seungri] Dakishimeta te wo  
[All] Tell me goodbye, oh, tell me goodbye  
[Daesung] Hanasou  
Soba ni iru koto dake ga yasashisa janai to Baby  
[All] Tell me goodbye, oh, tell me goodbye

[T.O.P] And it's so, so  
Sad it just ain't happenin'  
Wish it could be better  
Sorry to be scrappin'  
But I just can't let ya  
Be less than happy  
How sad would that be  
I couldn't live with myself seein' you lackin'  
The things you deserve  
Baby you be superb  
Best believe that it hurts  
Deeply, that's word  
I feel the achin' through my body  
It just takes a big ol' part of me  
To be lettin' you go  
I wish it weren't so...

[Daesung] Kimi no koe setsunaku fade away... away-ay-ay-ay  
[Seungri] Kaze ni kakikesareteyuku stay... stay-ay-ay-ay

[Taeyang] Kore ijou wa I can't ([G-Dragon] take it),  
sono namida don't cry ([G-Dragon] for me)  
[Daesung] Kimi no tame never look back again-a-a-a-ain... Ohh

[All] Tell me goodbye, oh, tell me goodbye  
[Seungri] Dakishimeta te wo ([Daesung] Ohh)  
[All] Tell me goodbye, oh, tell me goodbye  
[Daesung] Hanasou  
Soba ni iru koto dake ga yasashisa janai to Baby  
[All] Tell me goodbye, tell me goodbye  
[Daesung] Tell me goodbye
