Oh... Ooooooh...
Oh... Ooooooh...
Yeah...

YB:

She stands there looking at me
I know she's wonderin'
If she should kick it with me
Cuz you all got that somethin'
If she be wanting to freak
The shakin' thunderin'
And now she's starting to creep up on me

GD:

Man she looks so good (Man she looks so good)
And she looks so fine (Looks so fine)
Steady takes me high
Singing 'My Oh My' (Oh my my my my)
Got to get with her (Gotta get with her)
Have her in my world (In my world)
Hold her in my arms
That's forever yo~

Chorus:

I wanna rock with u
Dance with u
Do everything with u
Run around in the rain with u
Everyday now only u
Rock with u
Dance with u
Do everything with u
Run around in the rain with u
Everyday now only u...

DS:

It's getting tough in the scene
The place is jumping now
I grab her hand and proceed
To the crowd that's tumbling
I really want her with me

Some one-on-one romance
What she keeps doing to me
Got me feelin'...

SR:

Man she looks so good (Oh~)
And she looks so fine (So fine~)
Steady takes me high
Singing 'My Oh My' (My my my my~)
Got to get with her (Gotta get with her)
Have her in my world (In my world)
Hold her in my arms
That's forever yo

I wanna rock with u
Dance with u
Do everything with u
Run around in the rain with u
Everyday now only u
Rock with u
Dance with u
Do everything with u
Run around in the rain with u
Everyday now only u...

(Break it down)

YB:

I know that you're thinking I won't be right (Oh I can be right)
But it's you girl now I've made up my mind
From here we can start a new wonderful life
Always and forever yo
