Every Time It Rains
Brian Hofeldt

I can feel it coming on,
An old cold pain, [I think]
That's the way it always starts, I feel it in my heart,
Every time it rains.

Like a raging storm,
I found comfort in your tender kiss,
And shelter in your arms,

Sometimes I think I see you,
When the cold sky turns to grey,
And I almost believe you're coming back to me,

Every time it rains.

I finally laid the flowers down, I think about you now,
