If It's Really Gotta Be This Way

The Derailers

If It's Really Gotta Be This Way

I can take it.....I Know

I'll just carry on day to day

Until I make.....on my own

I'll Cry.....But I'll get by

and I'll forgive you girl

by and by

and I'll forget you someday

if it's really gotta be this way

If this is what you think you need

go ahead girl.....and do it

It doesn't make alot of sense to me

but if it's what you want.....I'll live through it

I'll Cry.....But I'll get by

and I'll forgive you girl

by and by

and I'll forget you someday

if it's really gotta be this way

In my heart.....

there will always be a place for you

In my heart.....

I will always believe

we coulda made it, you and me
