Whoa, oh, I hit the jackpot, better bet while I can
Right now my hand is red hot, hotter than a fryin' pan
Gonna throw all my chip in the pot,
'Cause I've got a winning hand
Whoa, oh, I hit the jackpot, cause I'm your loving man

At the rainbow's end, there's a pot of gold,
Overflowing with riches untold
The clouds have been forming dollar signs,
Ever since you've been mine
Oh, oh, I hit the jackpot, 'cause I'm your lovin' man

Oh, oh, I hit the jackpot, baby, you're my lucky charm
Spin the wheel, baby, roll the dice, and tug on that old
bandit's arm
Then I'll take all my winnings downtown, 'n buy you a
wedding band
Oh, oh, I hit the jackpot, 'cause I'm your lovin' man

Repeat Chorus

Oh, oh, I hit the jackpot, 'cause I'm your lovin' man
Oh, oh, I hit the jackpot, 'cause I'm your lovin' man
Oh, oh, I hit the jackpot, 'cause I'm your lovin' man
