Misery loves company
Right now it's just us three
We'll have a real good cry
Just me, myself and I

I once had everything
All the treasures that love can bring
But don't worry 'cause we'll get by
Just me, myself and I

This loneliness is driving me crazy
Sometimes I think, I'm going insane
If I could just get over you, I know that we'll be fine
Me, myself and I
Could say I'm glad you're gone
And hope you never come back home
But I know, I just can't lie
To me, myself and I

I could stay behind closed doors
Never showing my face anymore
But there is no place to hide
From me, myself and I

This loneliness is driving me crazy
Sometimes I think, I'm going insane
If I could just get over you, I know that we'll be fine
Me, myself and I
Oh yes me, myself and I
