I'm on the fucking hunt again, no iron bars can keep  
you safe.  
Puncture wounds accelerate, foot on throat to suffocate.  
Alive... swarming with flies.  
Cut slut.  
Rip your fucking heart out.  
You die.  
Cut, carve, rip, serve.  
Torture you alive, assault you 'til you die.  
Naked rage unleashed, creating new deceased.  
Alive... swarming with flies.  
Cut slut.  
Rip your fucking heart out.  
You die.  
Cut, carve, rip, serve.  
Rage unleashed.  
New deceased.  
Entrance gained through gut decay.  
Infected stab wounds, death delay.  
Entrance gained through gut decay.  
Infected stab wounds, death delay.  
Maggot colony is unleashed.  
Cadaver carnage lays deceased.  
Maggot colony is unleashed.  
Cadaver carnage lays deceased.  
You are dead... Your body won't react.  
Left to rot... Thousand maggots now attack.  
Your body won't react.  
Thousand maggots now attack.  
Fucking shoot you to the ground.  
Fucking kick when you down.  
Entrance gained through gut decay.  
Infected stab wounds, death delay.  
Entrance gained through gut decay.  
Infected stab wounds, death delay.  
You are dead... Your body won't react.  
Left to rot... Thousand maggots now attack.  
Lifeless empty eyes, no fears, screams or feeble  
hopeless cries.  
Alive... swarming with flies.  
Cut slut.

Rip your fucking heart out.  
You die.  
Cut, carve, rip, serve.  
Cut slut.  
Rip your fucking heart out.  
You die.  
Cut, carve, rip, serve.
