I will never die, fucking make you cry.  
Tear your fucking flesh, human crap mess.  
Fucking sodomized, rot and decompose.  
Love to see you bleed, fucking hear you scream.

Fuck your dreams and fuck your hope,  
and fuck your life and fuck your goals.  
Fuck your sense and fuck this earth  
and I will fucking slaughter you.

Back into the sewer where you fucking belong.

I will never die, fucking make you cry.  
Tear your fucking flesh, human crap mess.  
Fucking sodomized, rot and decompose.  
Love to see you bleed, fucking hear you scream.

Fuck your life.

Fucking sodomized, rot and decompose.  
Love to see you bleed, fucking hear you scream.  
Clothes ripped and torn with rage.  
Assaulted by waves of hate.  
I will never die, fucking make you cry.

Tear your fucking flesh, human crap mess.  
All senses numb with stricken fear.  
Your nightmares, reality.  
Fucking sodomized, rot and decompose.  
Love to see you bleed, fucking hear you scream.  
Violated with no compassion,  
penetrated for selfish needs.

Fuck your dreams and fuck your hope,  
and fuck your life and fuck your goals.  
Fuck your sense and fuck this earth,  
and I will fucking slaughter you.

Put to death by choking hands.  
Slain remains is makeshift graves.  
Proceed to rot and decompose.  
Beaten, raped, left to die.

I will never die, fucking make you cry.  
Tear your fucking flesh, human crap mess.  
Fucking sodomized, rot and decompose.  
Love to see you bleed, fucking hear you scream.

Beaten, raped, fucking left to die
