Body fluids from unknown source  
My body will rise again  
There's no hope so I feel no pain  
Altar boy perversity, christian sex atrocity.  
Take your fucking life an' slit your own throat  
Execute your fucking god  
Take your fucking life an' slit your own throat  
Abuse them with your fucking faith  
Take your fucking life an' slit your own throat  
Cut, carve, rip, serve  
Take your fucking life an' slit your own throat  
Go and die for your god  
On purity your thrive and scarring them for life  
Afterlife temptation, a holy desecration.  
Take your fucking life an' slit your own throat  
Execute your fucking god  
Take your fucking life an' slit your own throat  
Abuse them with your fucking faith  
Take your fucking life an' slit your own throat  
Cut, carve, rip, serve  
Take your fucking life an' slit your own throat  
Go and die for your god  
On purity your thrive and scarring them for life  
Afterlife temptation, a holy desecration.  
With anger I despise  
You feed me with your lies  
With anger I despise  
You feed me with your lies  
Body fluids from unknown source  
My body will rise again  
There's no hope so I feel no pain  
Altar boy perversity, christian sex atrocity.  
Sodomy...  
Sodomy...  
You are dead.  
You are just to damn stupid to fucking understand it.  
Take your fucking life an' slit your own throat  
Go and die for your god  
Twitching, crawling...  
I smash your head like a rotten fucking melon.  
Body fluids from unknown source

My body will rise again  
There's no hope so I feel no pain  
Altar boy perversity, christian sex atrocity.  
Sodomy...
