Compulsive urge to kill
Compulsive urge to kill, home of the loving dead
Recycle human remains, fatal stabbing
Compulsive urge to kill, innocence ignored
Compulsive urge to kill, innocence ignored
What's to ignore when there's only guilt
Not a shred of evidence
Phenomenal carnivores walk this earth
Go kill, kill. kill
Hell where I was meant to be, feast on insanity
My nocturnal killing adventures
Nihilistic and out for the sake of guilt
Rebirth the feast of inhumanity
Nihilistic and out for the sake of...
Guilt
Nude and strangled
Pride, greed, sloth, wrath, gluttony, lust, envy

Hell, I live
Compulsive urge to kill, home of the loving dead
Innocence ignored
What's to ignore when there's only guilt
Hell where I was meant to be
Feast on insanity
Feast on insanity
Feast on insanity
Their feast on human remains, glorifies the virgin
whore
Ruler of this withered world
Their feast on human remains, glorifies the virgin
whore
Ruler of this withered world
Pride, greed, sloth, wrath, gluttony, lust, envy
Hell, I live
Compulsive urge to kill, home of the loving dead
Recycle human remains, fatal stabbing
