Insurrect the ones who fail  
Standing proud fuckin' standing straight  
Look at the pain your god create  
Media whores fuckin' feeds the hate

Resurrect the darkest age  
Profit minds deliever the rage  
Pain an' sorrow, misery we spawn  
A spell is cast upon you all

Fire burnin', kill the norm  
Pain an' sorrow, misery we spawn  
Cut, carve, rip, serve

Peoples misery, a visual feast  
The day of reckoning is fuckin' here  
Primitive culture based on filth  
Look at the pain you create

Die, die  
Crawl with me  
Through the filth  
Suffocate  
Incinerate  
Crawl with me  
Through the filth  
Suffocate  
Incinerate

Insurrect the ones who fail  
Standing proud fuckin' standing straight  
Pain an' sorrow, misery we spawn  
The spell is cast upon you all

A fire burnin', kill the norm  
Pain an' sorrow, misery we spawn  
Cut, carve, rip, serve

Crawl with me  
Through the filth  
Suffocate

Incinerate  
Crawl with me  
Through the filth  
Suffocate  
Incinerate

Insurrect the ones who fail  
Pain an' sorrow, misery we spawn  
Standing proud fuckin' standing straight  
No fuckin' turnin' back

A madness turnin', heads are rollin'  
Weak minds under attack.  
I see beauty, I want to kill  
Want to kill

Insurrect the ones who fail  
Standing proud fuckin' standing straight  
Look at the pain your god create  
Media whores fuckin' feeds the hate

Crawl with me  
Through the filth  
Suffocate  
Incinerate

Pain an' sorrow, misery we spawn  
A spell is cast upon you all  
A fire burnin', kill the norm

Pain an' sorrow, misery we spawn  
Cut, carve, rip, serve

Crawl with me  
Through the filth  
Suffocate  
Incinerate  
Crawl with me  
Through the filth  
Suffocate  
Incinerate

Insurrect the ones who fail  
Standing proud fuckin' standing straight

No fuckin' turnin' back  
A madness turnin', heads are rollin'

Weak minds under attack.  
I see beauty, I want to kill

Want to kill
