Ain't no reason, only treason. Long live the new flesh.
Moral decay, another killing season. Long live the new
flesh.
It's a fucked up media devastation. Long live the new
flesh.
Long live the new flesh. Long live the new flesh.
Ensnare you in the pain of dreams. Long live the new
flesh.
Languish in the hell of screams. Long live the new
flesh.
You are fucked up beyond belief. Long live the new
flesh.
Long live the new flesh. Long live the new flesh.
Fucked up media aggravation. Long live the new flesh.
Culture demand for sensation. Long live the new flesh.
Fleshfilled media penetration. Long live the new flesh.
Long live the new flesh. Long live the new flesh.
Cut, carve, rip, serve. Long live the new flesh.
