Feel my balls against your chin as I shit upon your face.
Urinate on your broken from then lick it from your
sloppy breasts.
Ribs break and snap as I jump upon your chest.

Degrade and kill you, humiliate and beat you.
Decapitate and rape you, mutilate and dump you.

Feel my balls against your chin as I shit upon your face.
Urinate on your broken from then lick it from your
sloppy breasts.
Ribs break and snap as I jump upon your chest.

Degrade and kill you, humiliate and beat you.
Decapitate and rape you, mutilate and dump you.
Degrade and kill you, humiliate and beat you.
Decapitate and rape you, mutilate and dump you.
Penetrate and kill you, suffocate and beat you.
Tear you flesh and rape you, mutilate and dump you.

On dirty streets I find them, the subject for my hate.
In the woods and creeks I hide them.
Dead in a ditch your fucking fate.

Degrade and kill you, humiliate and beat you.

Decapitate and rape you, mutilate and dump you.
Degrade and kill you, humiliate and beat you.
Penetrate and kill you ,suffocate and beat you.
Tear you flesh and rape you, mutilate and dump you.

On dirty streets I find them, the subject for my hate.
In the woods and creeks I hide them.
Dead in a ditch your fucking fate.

On dirty streets I find them, the subject for my hate.
In the woods and creeks I hide them.
Dead in a ditch your fucking fate.

Feel my balls against your chin as I shit upon your face.
Urinate on your broken from then lick it from your
sloppy breasts.

Ribs break and snap as I jump upon your chest.

Fail to see humanity as I bind your struggling limbs.

Fresh anal lacerations from excessive sodomy.

Fresh blood upon my face my face brings me fucking
ecstasy.

Fail to see humanity as I blind your struggling limbs.

Fail to see humanity as I blind your stragglng limbs.
