Into your back, I stab and hack.  
From behind I strike, penetrating knife.  
End your life.

Extinguish your of breath.

Separate your cock from your ravaged stock.  
Fresh sexual death, dead penis stretch.

Demoralized and brutalized,  
raped and fucking sodomized.  
Lust for death unsatisfied.  
Taste for life perversified.

Your taste for life. My lust for death.  
Murder, sex, rape.

Demoralized and brutalized,  
raped and fucking sodomized.  
Lust for death unsatisfied,  
taste for life perversified.  
Separate your cock from your ravaged stock.  
Fresh sexual death, dead penis stretch.

My lust for death  
Your taste for life, my lust for death  
Slashed throat I lick ,bleed from inside.  
Devoid of breath, murder, sex, rape.

Manhood removed, never satisfied.

Into your back, I stab and hack.  
Slashed throat, I lick I stab and hack.  
Bleed from inside, I stab and hack.  
Murder, sex, rape, I stab and hack.  
Devoid of breath, I stab and hack  
I stab and hack.

Separate your cock your ravaged stock.  
Fresh sexual death, dead penis stretch.  
Demoralized and brutalized, raped and fucking  
sodomized.

Lust for death unsatisfied taste for life perversified.

Into your back, I stab and hack.  
Slashed throat. Bleed from inside.
