

Deranged "Thrill Kill"

Cold and methodical
Selfmade - superior
Enslaved by sin
Survive in blood
I aim to kill
Cold and methodical
Selfmade - superior
Convulse
Nailed down
Scarred for - life
This rotten world I rule
Set filth on fire
Overt and calculating
Kill for the thrill
Revise and control me
Become my acts
I see what you can be

In my dominion
Convulse, nailed to the floor
Scarred for life
Killed in captivity
Watch myself die
Thrill kill
I sold my soul to the demon
Become the slave
My acts enlightened by god
No price for pride
Intense and disgruntled
My heart is black
I'm armed with stainless steel
I hate the world itself
Thrill kill
