I have finally found a way to live just like I never could
before.

I know that I don't have much to give, but I can open
any door.

Everybody knows the secret, everybody knows the
score.

I have finally found a way to live in the color of the
Lord.

I have finally found a place to live just like I never could
before.

And I know I don't have much to give, but soon I'll open
any door.

Everybody knows the secret, everybody knows the
score.

I have finally found a place to live in the presence of
the Lord.

In the presence of the Lord.

I have finally found a way to live just like I never could
before.

And I know I don't have much to give, but I can open
any door.

Everybody knows the secret, I said everybody knows
the score.

I have finally found a way to live in the color of the
Lord.
