Tell the truth, tell me who's been fooling you?  
Tell the truth, who's been fooling you?

There you sit there looking so cool  
While the whole show is passing you by  
Better come in terms with your fellow men soon 'cause  
Whole world is shaking now, can't you feel it?  
New dawn is breaking now, can't you see it?

Tell the truth, tell me who's been fooling you?  
Tell the truth, who's been fooling you?

It doesn't matter just who you are  
Or where you're going or been  
Open your eyes and look into my heart  
Whole world is shaking now, can't you feel it?  
New dawn is breaking now, can't you see it?

I said, "See it, yeah, can't you see it?  
Can't you see it, yeah, can't you see it?  
I can see it, yeah"

Tell the truth, tell me who's been fooling you?  
Tell the truth, who's been fooling you?

Hear what I say 'cause every word is true  
You know I wouldn't tell you no lies  
Your time's coming, gonna be soon, boy  
Whole world is shaking now, can't you feel it?  
New dawn is breaking now, can't you see it?

I said, "See it, yeah, can't you see it?  
Can't you see it, yeah, can't you see it?  
See it" Yeah, I said, "See it", I said, "See it"

Whole world is shaking now, can't you feel it?  
New dawn is breaking now, can't you see it?  
I said, "See it", I said, "See it"

Just see it  
Just see it  
Just see it
