You got to give Him thanks and praises
This I know
Shout out all your love above
This I know

Give Him all your love
I'm telling you so
This I know
This I know...

Music is the medicine of my soul
Music is the medicine of my soul
Music is the medicine of my soul
Music is the medicine of my soul
yeah... yeah... yeah

You got to shine that light in your heart
This I know
Shine that light in your heart
This I know
Before you fall apart

I'm telling you so
This I know..yeah
This I know...

Music is the medicine of my soul
Music is the medicine of my soul
Music is the medicine of my soul
Music is the medicine of my soul

yeah... yeah... yeah

Going crazy again
Look to my maker
He's my only friend
When burden won't leave me alone
Give me some to send my prayers home..
yeah... yeah.. yeah..

Music is the medicine of my soul x9
