When you wake up in the mornin' and ya feel a little
blue

Look up toward heaven and know that it is true
Our loving Father's up there watchin' after you
So lift up your hands and sing a praise or two

Praise the LORD
For He is Holy
Praise the LORD
Our God almighty
Praise the LORD
For He is worthy
Praise the LORD
The one who saved us
Praise the LORD
For He is Holy
Praise the LORD
Our God almighty
Praise the LORD
For He is worthy
Praise the LORD
The one who saved us

It's hard to stay blue when ya know His love is true
Focus your attention on what He's done for you
Thank the LORD Jesus, the one who died for you
So lift up your hands and sing a praise or two

Praise the LORD
For He is Holy
Praise the LORD
Our God almighty
Praise the LORD
For He is worthy
Praise the LORD
The one who saved us
Praise the LORD
For He is Holy
Praise the LORD
Our God almighty
Praise the LORD
For He is worthy

Praise the LORD
