I need your sweet inspiration

I need you here on my mind every hour of the day

Without your sweet inspiration

The lonely hours of the night just don't go my way

A man in love needs sweet inspiration

And honey that's all I ask, that's all I ask from you

I gotta have sweet inspiration

You know there's just no telling what a satisfied man
might do

If I'm out in the rain baby, in a bad situation

I just reach back in my mind to find sweet, sweet
inspiration

Sweet, oh what a power

And I've got the power every hour in the day

I need your sweet inspiration

To go on livin', to keep on givin' this way

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration

Sweet, sweet inspiration
