i was killed in a shopping cart
turned upside down and left for dead
i saw a clown try to speak to me
as i floated overhead
i found my way to a familiar place
i swear iâ€™d been sometime before
i wouldâ€™ve thought it was the marketplace
but i could not find the door

(chorus)

oh i have been to heaven
and i have walked the streets
but i couldnâ€™t find a hand to hold
to keep me on my feet

paradise is a parking lot
a spot up front is your reward
and all the rest walk down streets of gold

to the house they could afford
i got lost in the swelling crowd
i could not afford to eat
you only have what you came in with
so iâ€™m living on the street

(chorus)

oh i have been to heaven
and i found no relief
â€™cause i couldnâ€™t find a hand to hold
to keep me on my feet

i heard Jesus Christ was there
he had a car thatâ€™s bulletproof
that way everyone is safe
from the man who tells the truth

(chorus)
