As you came to us so we come to you
Fragile as a baby hopeful and new
But learning fast that to walk is to fall
Soon weve done it all
Chorus
We come broken and we come undone
We come trying hard to love everyone
But we come up short in all that we do
Because we do
So we come to you
As you came to us so we come to you
Dirty and hurting then dead in the tomb
But raised redeemed to show off the scars
Cause youve brought us this far
Chorus
Tag
You came to show the way not around but through
So through it all we come to you
