Lately I've been losin' sleep  
Stayin' up with your memory  
All my friends say, "Hey, we're a little concerned"  
But I got my wine and I got my smoke  
And every letter you ever wrote  
Tonight I'll light one up, let it burn

Chorus:

Cause I feel all right for the first time  
In a long time  
And I see the light now that I'm walkin'  
In the sunshine  
I was singin' my song and it goes  
Shan na na na na na na  
I feel all right for the first time  
In a long time

This morning I took a look outside  
And all the people passin' by  
Nobody noticed you were gone  
Put on my shoes, a different man  
Went to the docks where my ship came in  
I watched that tide rollin' on and on  
And on and on and on

And I feel all right for the first time  
In a long time  
And I see the light now that I'm walkin'  
In the sunshine  
I was singin' my song and it goes  
Shan na na na na na na  
I feel all right for the first time  
In a long time

It took a while for me to see  
What everybody knew but me  
And I don't care where you are tonight  
(Cause I feel all right)

Cause I feel all right for the first time  
In a long time  
And I see the light now that I'm walkin'

In the sunshine  
I was singin' my song and it goes  
Shan na na na na na na  
I feel all right for the first time  
In a long time

I feel alright shan na na na na na na  
I see the light shan na na na na na na
