And the picture I left
Doesn't speak too highly of me
Now I leave with few regrets
Well I'm not supposed to be
Leaving, trying, deceiving and lying

Now I should've stopped this time
To decide what was mine
I'm too blind but I saw this through
Didn't I, wouldn't you

And now that my ship came in
You thought you'd jump up on it
Am I supposed to let you in
Well, baby let's get honest
You're lying, deceiving, trying
Now you're leaving

Now I should have stopped this time
To decide what was mine
I'm too blind but I saw this through
Didn't I, wouldn't you
Pity I did not forget
Don't you know I meant to
I know it satisfies you when
But I'll be back to get you
I'll be lying, trying, deceiving, you'll be pleading
I'll been lying, trying, deceiving
You're pleading

And the picture I left
Doesn't speak too highly of me
Now I leave with few regrets, now I
I should have stopped this time
To decide what was mine
I'm too blind but I saw this through
Didn't I, wouldn't you

Now I should have stopped this time
To decide what was mine
Too blind but I saw this through
Didn't I, wouldn't you
