[Intro:]

I.  
Here comes the rain  
Here comes the sun  
Here comes the light that will brighten...  
I wanna say!

Chorus:  
Is it a dream to have a boy frnd.  
Is it a dream to have a crush  
Is it a dream to be a girlfrnd.  
Am I too bad if I'm a dreamer

II.  
I wanna say how I like you  
But you run away!  
I wanna say how I love you  
But I'm so ashamed!  
(rep. chorus)

[Bridge:]  
Come with me  
And stay for a long long time  
I'd be your frnd.  
And love...

(rep. chorus slowly)

III.  
I wanna say goodbye.
