ALL I KNOW

DERYL DODD

I ran into your best friend today
Yeah, said you were better than you'd ever been
Said it was a good thing, we went our separate ways
And you were never lookin' back again

Chorus:

Well, tell me how do I forget you
How do I make my heart learn to let you go
Tell me how do I forget you
When lovin' you is all I know

I did my best to smile
And said, I'm glad you're happy
Wished you well, then turned away to hide my tears
Last thing she said you know it's really sad that it
wasn't meant to be
Well that's the last thing I didn't wanna hear

Chorus:

Tell me how do I forget you
How do I make my heart learn to let you go
Tell me how do I forget you
When lovin' you is all I know

Bridge:

There's no where to go for me to get away from you
I swear I'd give my soul if I could find a way to

Chorus:

Tell me how do I forget you
How do I make my heart learn to let you go
Tell me how do I forget you
When lovin' you is all I know
