DEATH, TAXES AND TEXAS

DERYL DODD  
SHANE DECKER  
ARLOS SMITH

Well I left my home by the Alamo  
Ten years, three dogs, two wives ago  
Lookin' back at the plans I've made  
Look nothin' like the road I've paved  
I'm goin' back to where I'm from  
My new plan is not havin' one  
Now I know the things that will remain

Chorus:

Death, taxes, and Texas  
No matter where I roam  
There ain't no gettin' away from  
I've been lost but now I've found what I can't live  
without in life is  
Death, taxes and Texas

Now I work my fingers to the bone  
What Uncle Sam don't take I take home  
It ain't much but I don't complain  
Can't take it with me anyway  
What I got is all I need  
Blue bonnets and blue skies to breathe  
And three things that I know will never change

Repeat chorus

Bmg songs, inc.(ascap)/wb music corp(ascap)/  
Good ol' delta boy music(sesac)
